

In regards to NAB's petition 04-160 First of all satellite radio provides me the variety and quality that are not available elsewhere. I pay for these services and it should not be up to the National Association of Broadcasters to dictate what I want to hear. Please reject the NAB's petition 04-160. I support XM's ability to provide the kind of programming that I demand and deserve. Sincerely,  
Wynn Anderson
